## eSourcing For Academies and Schools

## DEADLINE: OCTOBER 2018

With effect from 18th October 2018 in accordance with The Public Contracts Regulations 2015 all communication and information exchanged in tender processes for contracts with a value above £164,176 must be carried out electronically including:

- Contract Notice
- Documentation
- Expression of Interest
- Submission of tenders
- Contract Award

You should currently have all documents available for suppliers to download electronically when the Contract Notice is advertised on OJEU.

With the exception of maintained schools and academies, there is an absolute obligation for all public educational bodies in England to post an Award Notice on to Contracts Finder for contracts with a value above £25,000.

Must get eTender  
by October 2018!

# CPC Mini-Comp

Mini-Comp is a simple tool for accessing and running procurement exercises on CPC framework agreements.

## There are two flavours:

- MultiQuote for running a simple request for quotation
- Tender for running a formal mini-competition

## Solution

- Simple and intuitive approach
- Full audit trail
- Enforces compliance to legal and regulatory requirements
- Single supplier marketplace, with free registration
- Full integration with Sourcing Cloud Tender, Contract and MultiQuote
- Completely free of charge!

# The CPC eSourcing Toolkit

Working stand alone or collaboratively across diverse organisations to achieve maximum benefits, requires good people utilising best practise with access to the best electronic systems.

Sourcing Cloud provides a one-stop shop for Academy and School eSourcing requirements.

## MultiQuote

The dynamic real time pricing marketplace with a demonstrable track record for delivering cash savings across all expenditure and has developed an enviable reputation.

### Problem

- Lack of market intelligence
- Complacent suppliers
- Difficult to control Tail-Spend
- Difficult to quickly identify savings opportunities

### Solution

- Managed marketplace of categorised suppliers
- Average savings 12.5%
- Fast turnaround, guaranteed responses to customer timescales
- Product level data capture
- Integration to Contracts Finder
- Web based helpdesk

£200 per annum\*

Four year minimum commitment

\*£150 if bought as an additional module

## Sourcing Cloud Tender

Sourcing Cloud Tender helps manage complex procurement procedures, including OJEU. Delivering a simple, efficient and compliant solution for rapid deployment to Academy Schools, Colleges and Universities.

October 2018!

### Problem

- Complicated procedures and regulations
- Takes too long and generates too much paper
- Difficult to control and audit
- Procurement staff lack support for complex procurement issues

### Solution

- Simple and intuitive approach
- Enforces compliance to legal and regulatory requirements
- Fully trained and experienced support team
- Single Public Sector supplier database, with free registration
- Full integration with Sourcing Cloud Contract
- Rapid deployment so customers can be up and running in under a week

£200 per annum\*  
Four year minimum  
commitment  
£150 if bought as an  
additional module

# Sourcing Cloud Contract

Sourcing Cloud Contract helps manage current and historical contracts. Delivering a simple, efficient and complete solution for rapid deployment to Academy Schools, Colleges and Universities.

## Problem

- Difficult to manage supplier performance, including KPIs
- No register of current and historical contracts
- Difficult to control and audit
- No on-going management of the contract following competition

## Existing Contract Management solutions

- Have poor integration with eTender
- Do not capture organisation specific information
- Have long implementation timescales
- Are not user friendly or intuitive

## Solution

- Simple and intuitive approach
- Supplier and contract management
- Fully trained and experienced support team
- Capturing and reporting organisation specific information
- Full integration with Sourcing Cloud Tender
- Rapid deployment so customers can be up and running in under a week

£200 per annum\*

Four year minimum commitment

\*£150 if bought as an additional module

# Order Form

All products below are based on a 4 year minimum commitment.
